

U.S. House Committee on Energy & Commerce, Health Subcommittee Membership Telephone Calling List[†]

IMPORTANT TIPS FOR CALLING:

1. Representatives of BOTH parties need to hear from us! The APRC amendments are non-partisan.
2. A rare few people have time to call all representatives. Please call as many as you can.
3. Do not call representatives in the order listed; select them randomly if you can't call them all.
4. To better distribute the calls, consider calling Democrats if your representative is a Democrat, and Republicans if your representative is a Republican.
5. Do not forget to call your own representative, even if not listed here.
