

## U.S. Senate Committee on Health, Education, Labor, and Pensions Membership Telephone Calling List<sup>†</sup>

**IMPORTANT TIPS FOR CALLING:**

1. Senators of BOTH parties need to hear from us! The APRC positions are non-partisan.
2. Few people have time to call all Senators. Please call as many as you can.
3. Do not call Senators in the order listed; select them randomly if you can't call them all.
4. To distribute the calls, consider calling Democrats if your Senator is a Democrat; and Republicans if your Senator is a Republican.
5. Do not forget to call your own Senators, even if not listed here.
